Choose 8 Services Of Your Choice

Experience the expertise and creativity of our National award-winning floral team as they cater to your every requirement. With meticulous attention to detail, we bring your visions to life, crafting designs that surpass your expectations. Our commitment to perfection means we will work closely with you, continuously refining and mocking your ideas until they are flawlessly executed and approved.

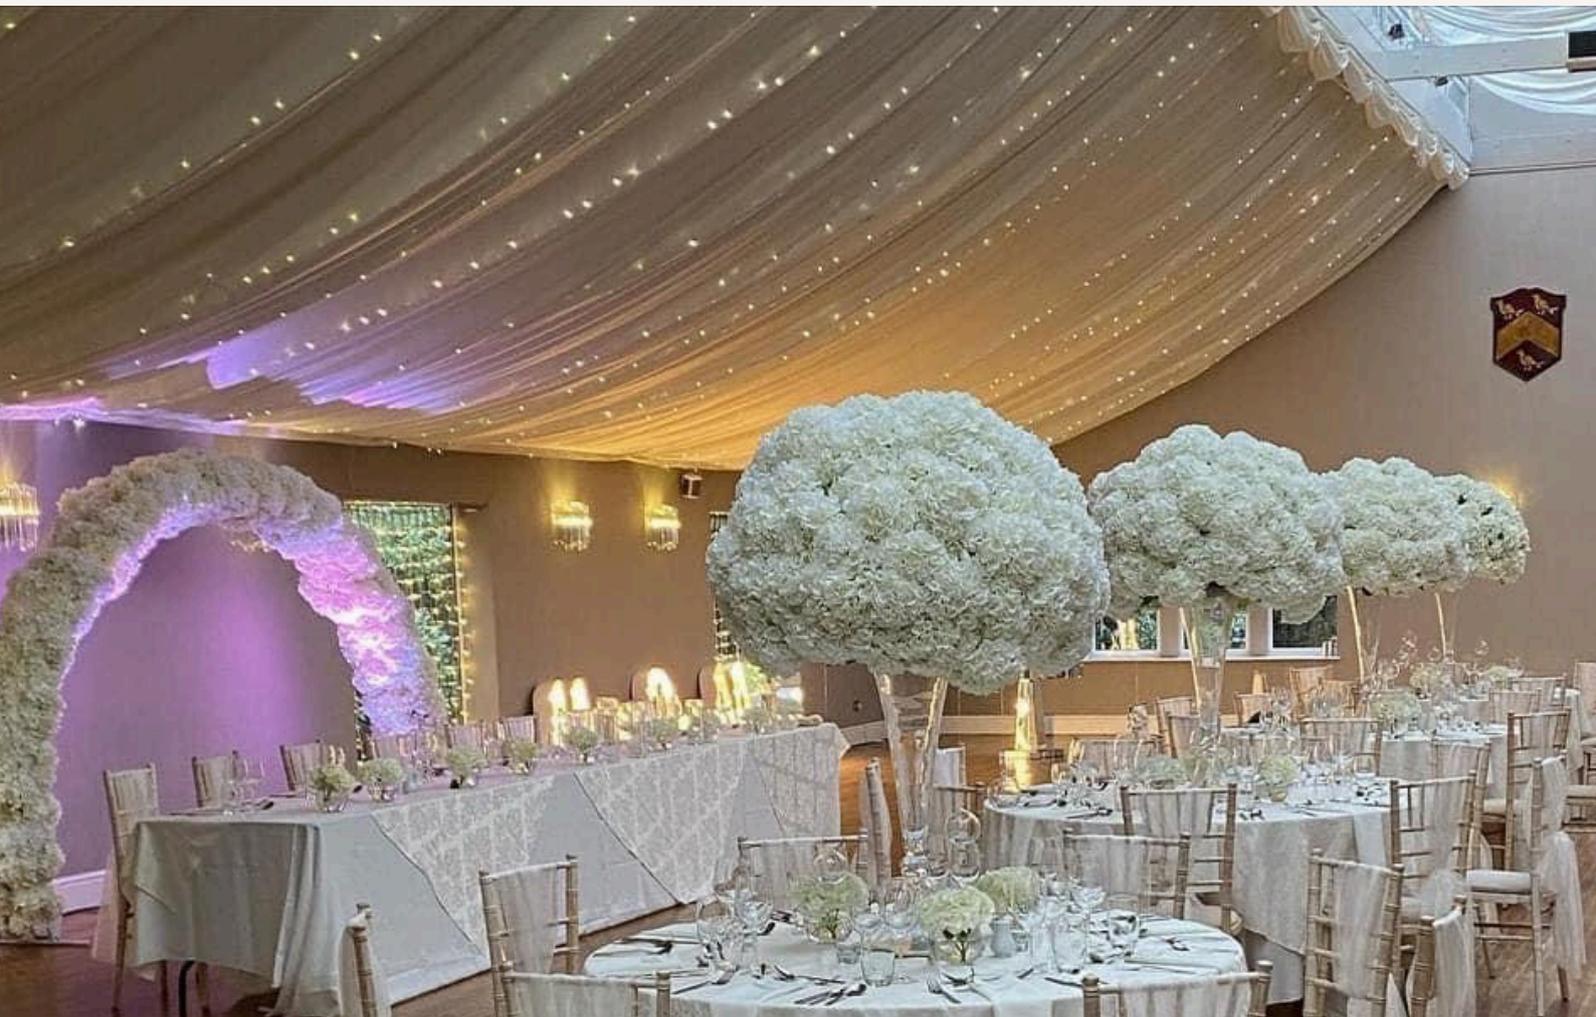

WHAT YOU GET?

It's up to you what you choose! Considering on average couples will spend £2000 on the Centerpieces alone, and this is just ONE service, giving you SEVEN more services to choose from.

You will also receive our Exclusivity for your wedding day & our FLEXI plan (explained on the next page)

You get our event staff Day and Night of your wedding to ensure everything runs smoothly, turnarounds are complete without hassle and the services are manned and set up in time for your order of the day.

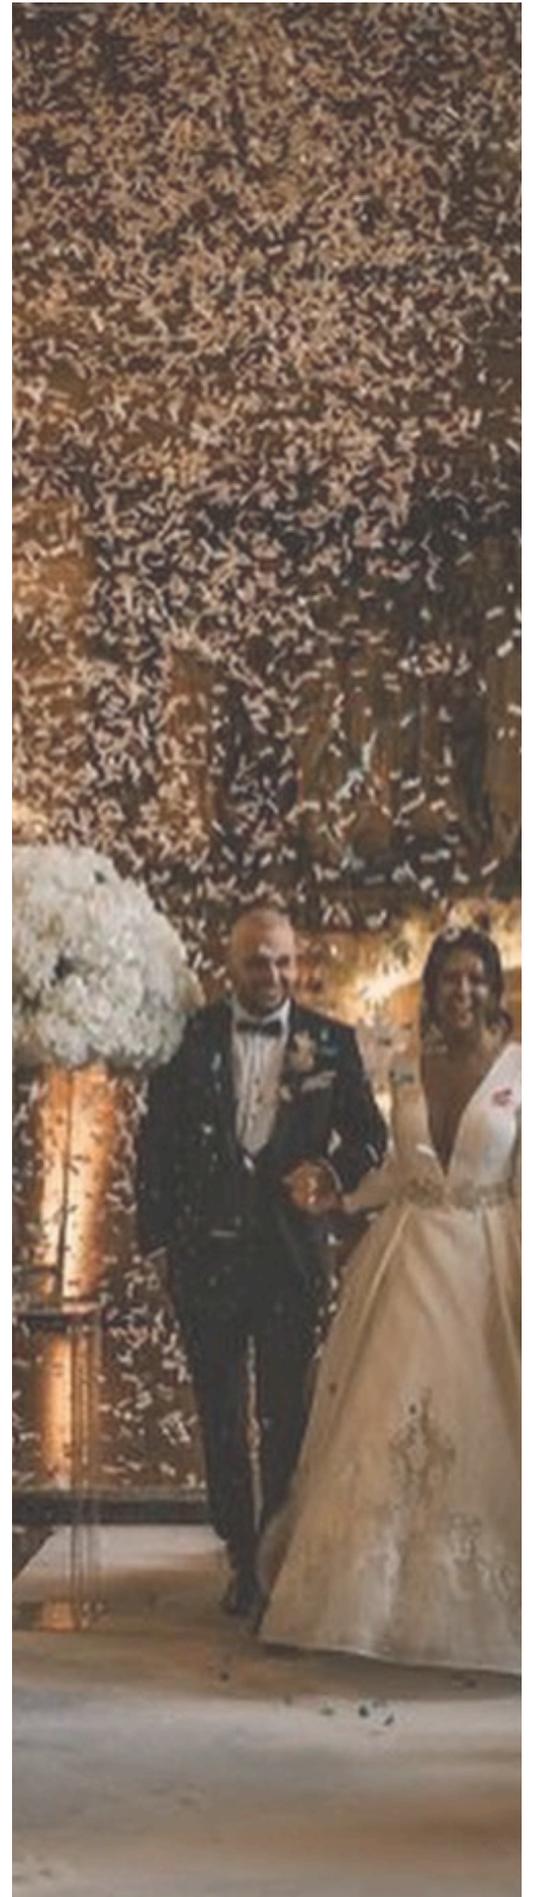

We have been doing this for over 14 years now, so you know your in good hands!

THE FLEXI PLAN

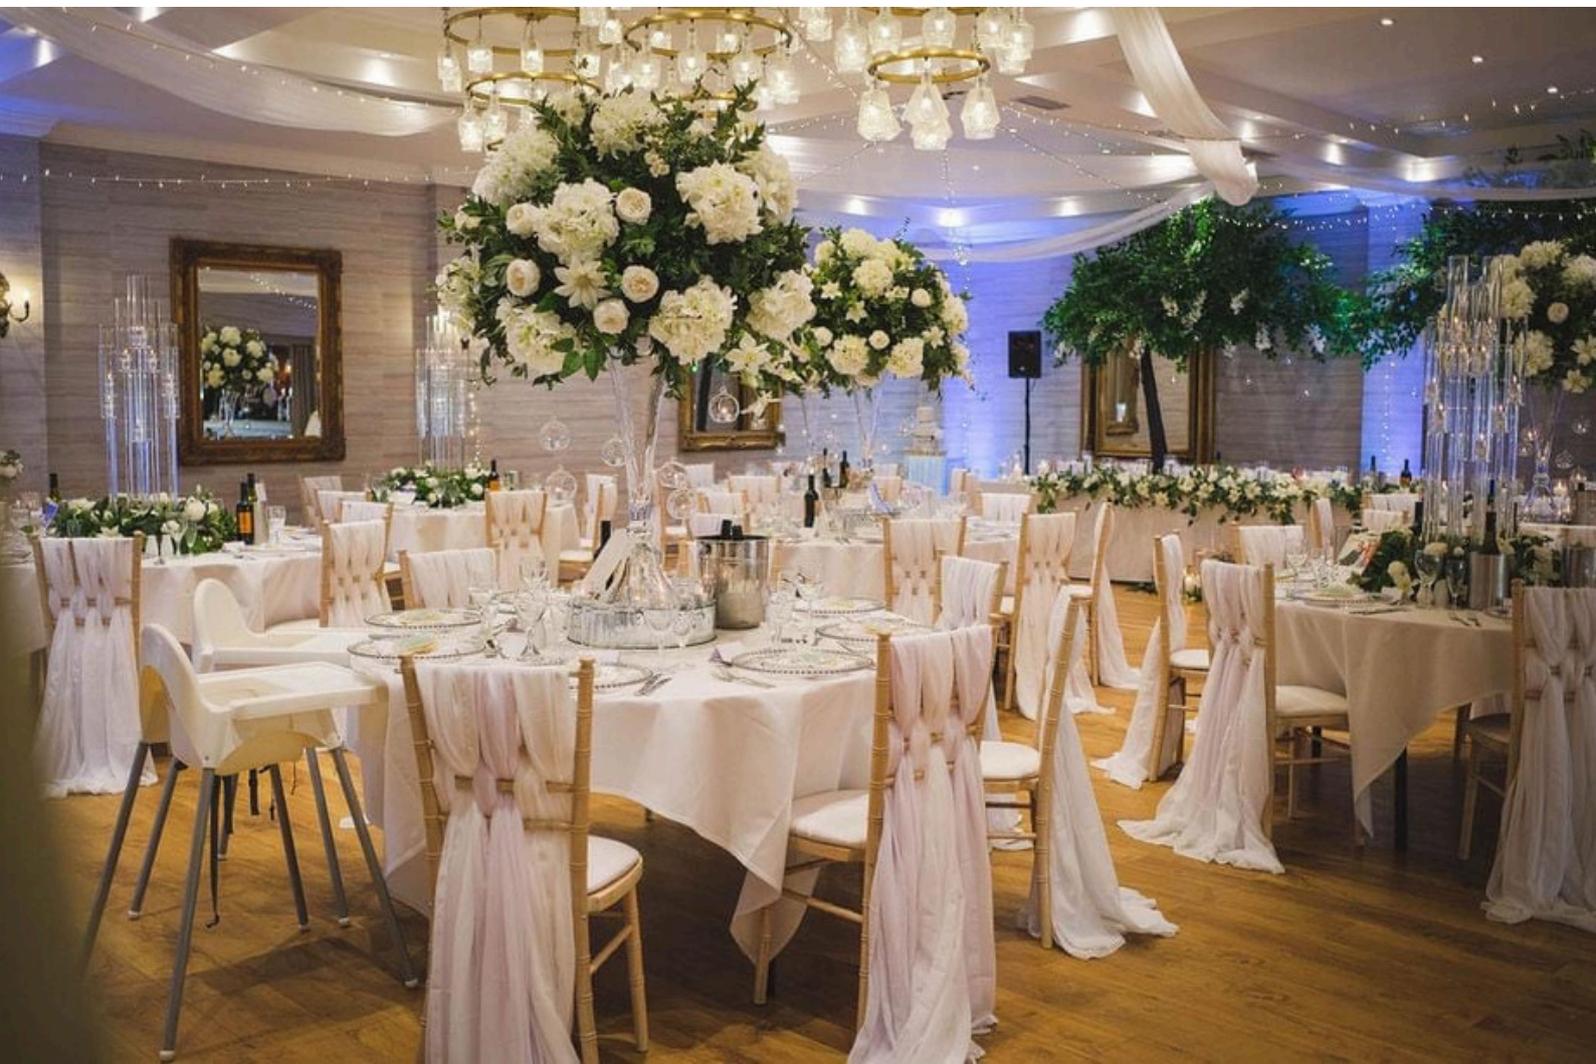

The FLEXI plan was created for the customers in mind. We don't want our couples loosing out on new trends and services. Your Wedding may be 2 years + away, so we want to give you peace of mind knowing we will be able to create your dream package!

A lot of our customers will book to secure the date and then decide the on the services and creations when they are certain on what they want. After all we are continuously creating and introducing new services to keep up with new trends and products! You have up to 4 weeks before your wedding day to decide on what you want.

OUR EXCLUSIVITY

Exclusivity allows us to be able to ensure your package is delivered and set up smoothly and on time, this also gives our couples the freedom to pick the services they want close the their wedding date. We don't want to be concentrating on more then one wedding per day, your Day should get the most fullest attention & detail.
